

FACT Liverpool is a world-leading centre for art, film and the creative use of technology. We champion new ideas and experiences, nurturing the next generation of voices and visionaries to create a world of possibilities.

The FACT centre houses three art galleries, three cinema screens, an events/screening space, a lab for talent development and learning, a cafe, and a bar. We present a vibrant programme of contemporary art that embraces new technology and explores digital culture. Each year we welcome 250,000 visitors to our building, and collaborate with over 10,000 adults and young people through our Learning Programme, which we deliver in partnership with schools and community organisations across the Liverpool City Region. Our new Studio/Lab space and programme enables artists and creative professionals to develop their practices and careers.

Mission: to enrich lives and shape the future through Film, Art and Creative Technology

👍 Our Values

Friendly → We are warm and welcoming, a social space for people, conversations and interaction

Curious → We encourage people to be curious, to question, experience new things and to find out more about the world around them

Transformative → We champion radical visions, diverse voices and are open to new ideas

Responsive → We are responsive to others and their communities, recognising our power to create and share positive change

💁 Team

We are a friendly hard-working team of 45 staff from differing backgrounds and experience levels, who share a passion for film, art and technology. As a place where people, art and technology meet, we value all those who are part of and share our story - the staff, the artists, and our visitors. FACT Liverpool is structured into teams who work collectively to deliver memorable experiences for our audiences:

- Director's Office
- Programme: Exhibitions, Learning and Studio/Lab
- Marketing and Communications
- Development
- Operations: Visitor Services and Finance

♿ Disability Confident

FACT is proud to be a disability confident employer - we have committed to:

- ensure our recruitment process is inclusive and accessible
- communicating and promoting vacancies to increase our reach and give as many people as possible the opportunity to be a part of our team
- offering an interview to disabled people who declare they have a disability and who meet the minimum criteria for the job
- anticipating and providing reasonable adjustments as required
- supporting any existing employee who acquires a disability or long-term health condition, enabling them to stay in work
- at least one activity that will make a difference for disabled people

Intro to the Freelance Opportunity

FACT is looking to expand our pool of Freelance Technicians, with a specific focus on those specialising in AV. Freelance technicians work with us on our exhibition installations in the galleries, and across public programme events in the cinemas, foyer areas, and across the public realm.

What to expect

Working mainly within FACT's Exhibitions Team, Freelance Technicians work with us to deliver an ambitious programme of contemporary visual art. Standard gallery installations run Monday-Friday, 9am-5pm. We may invite applicants to an informal meet and greet and tour of the spaces.

Things we are looking for

- Demonstrable knowledge of AV disciplines (audio, projection, video, IT, lighting).
- Strong interest in working with artists/creatives
- Understanding of signal flow in multichannel audio and video installations
- Working knowledge of video formats and standards as well as post-production video and image preparation
- It would also be great to know of any relevant qualifications (e.g. IPAF or PASMA)

Please note that we welcome applications from technicians who may not have experience or knowledge in everything listed above - if you have experience in one or two of these key areas, or you're keen to gain new skills, we would love to hear from you.
